

MEMORIAL OR TRIBUTE GIFTS

A memorial gift to the Advent Foundation is a wonderful way to remember and pay respect to a deceased family member or other loved one. This gift provides an opportunity to convey sympathy to their family and to honor their memory.

A tribute gift is an opportunity to say thank you, acknowledge a special occasion (birthday, anniversary, graduation, baptism, wedding or any other celebration), or to recognize someone in a special way.

All gifts are gratefully received and will go to further strengthen the ministry of the Episcopal Church of the Advent. Each gift will be promptly acknowledged and the amount is kept confidential.
